Who's the one we all relied on,  
when things got scary?  
Who's the one who's always been strong?  
ev'ry one knows it's Kelly!

Kelly's the one who made insanity sane,  
Kelly's the one who really changed the game!  
She's the one who made ev'ry thing right,  
Oh, how we love our Kelly!

Hasn't been long since she's been gone,  
I can still see her smiling;  
Calling on cue and helping us through,  
Oh, how we miss you darlin'!

You're the one who made insanity sane,  
You're the one who really changed the game!  
You're the one who made ev'ry thing right!  
Oh, how I miss you darlin'!

(interlude)

Kelly's gone to heaven above,  
She can feel our hearts are pinin'.  
From above, she's sending God's love,  
We can feel Kelly smilin'!

Kelly's the one who made insanity sane,  
Kelly's the one who really changed the game!  
We can't wait 'til we're together again,  
Together again with Kelly!

She's the one who made insanity sane,  
She's the one who really changed the game!  
We can't wait 'til we're together again,  
Together again with Kelly!

Ev'ryone's missing Kelly;  
Oh, how we love our Kelly!  
We're all missing Kelly  
Oh how we love you Kelly.
